Wednesday, September 12 – Friday, September 17*

8 a.m. – 5 p.m. each day

We are scheduled for the annual Gum Wall cleaning. The cleaning will take place over three days. During this time, a contractor will steam clean the Gum Wall and surrounding area in Lower Post Alley. While the work is taking place, there will be a barricade at First Avenue and cars will not be able to enter the alley due to the presence of workers and equipment. Deliveries in the alley will need to be made before or after the work each day.

There will be pedestrian access from First Avenue to Ghost Alley Espresso and to the ramp to the Senior Center and the Lower Levels. Stairs from PDA office to the Alibi Room will remain open. Pedestrian access will be closed in the work area.

*These dates are tentative with cleaning possibly ending early or being extended.
