The meeting was called to order at 4:34 p.m. by Matt Hanna, Chair.

I. Administration
   A. Approval of the Agenda
   The agenda was approved by Acclamation.

   B. Approval of the June 21st, 2017 Executive Committee Meeting Minutes
   Howard Aller noted that Joan Paulson’s name was misspelled.
   The June 21st, 2017 Executive Committee Meeting Minutes were approved by Acclamation as amended.

II. Announcements and Community Comments
Howard Aller noted that SDOT reached out to him to discuss accessibility and the streetcar route. He will update the Committee when a meeting is scheduled.

III. Council Chair’s Report
Matt Hanna began by noting he was updated on the mid-year budget adjustments and recommended not adding Proposed Resolution 17-38 [Approval of Mid-Year Adjustments to 2017 PDA Operating and Capital Projects Budgets] to the consent agenda despite being approved at Finance & Asset Management Committee. This is to allow time for the full council to review and provide comment.

Hanna asked Ben Franz-Knight for an update on the onboarding of new Councilmembers during his Executive Director’s Report.

Matt Hanna will be providing opening remarks at an Open House hosted by Office of the Waterfront with regards to the new proposed waterfront connections. Hanna asked if Ben could obtain renderings from Office of the Waterfront to be circulated to the Council.
Matt Hanna, Rico Quirindongo and Ben Franz-Knight will be meeting with Marshall Foster from Office of the Waterfront to receive an update on the Pike|Pine Renaissance. Hanna requested that any information obtained at the meeting be passed to full Council and folded into a future the MarketFront Committee meeting.

Hanna asked Committee chairs to begin thinking about retreat topics and stated he will reach out to all Councilmembers as well. He encouraged Councilmembers to think broadly, mentioning the possible need to think creatively about challenges in ensuring Pike Place remains a Farmers Market and maintains authenticity.

Gloria Skouge asked if Committees have already been selected for 2017-2018.

Matt asked that Committee Chairs reach out to current Committee members to gage willingness to continue to serve. In addition reach out to Councilmembers not already engaged in their committee to see if they are interested in participating. This topic will then be added to the August Executive Committee Agenda for further conversation and confirm Committee composition.

Rico Quirindongo asked about the process for submitting retreat ideas. Matt Hanna will make an announcement at full Council in July and in August will reach out to individual Councilmembers. In the meantime, suggestions can be sent directly to Ben Franz-Knight.

Committee Chair’s Report
A. MarketFront
MarketFront Committee did not meet in July.

Matt Hanna asked if there was any additional thought to the scope of the Committee’s charge and potentially renaming the Committee. A conversation continued regarding possible topics and ways of redesigning the Committee.

B. Market Programs
Ben Franz-Knight provide a short overview of the meeting noting the review of marketing results from Grand Opening.

C. Finance & Asset Management
Ray Ishii presented noted that all four Proposed Resolutions passed unanimously but three were being added to the Consent Agenda, including 17-35, 17-36, 17-37.

Matt Hanna asked for more information regarding the Cedar River Group lease renewal and the reason for requesting additional funds for Indi Chocolate. In addition he asked for an update on Tennant Improvements for MarketFront vendors.

Ben Franz-Knight stated that Honest Biscuits is completely done and open. Old Stove Brewery has their temporary space and approximately 2.5-3 months until full operations. Indi Chocolate has roughly 2-3 more weeks until opening and Little Fish is just starting Tennant Improvements, the delay a result of lease negotiations.
IV. Executive Director’s Report

Ben Franz-Knight highlighted that the Streetcar topic will be coming back to full Council in August. There will be an update on solutions for preserving loading. Prior to the SDOT presentation Franz-Knight will be providing the historic context, pointing out that the Market was originally located here because there was a streetcar on First Avenue and in order to increase access to the Market strong connections with transit need to be built.

A letter was sent out to the Market Community today noting the cut of the Community Transit Subsidy. Franz-Knight received some feedback and has responded directly to all those who reached out with concerns. He has reached out to the head of Commute Seattle to try to identify a different package that the community can access either jointly or individually to receive some reduced transit. In addition he anticipates more comment during full council next week.

Ben Franz-Knight stated he is nearly complete with MarketFront compliance and close-out letter due to the City in relation to the Development Agreement. There are four lingering items to address in a future partnership or agreement with the City:

1. Stairs underneath the viaduct
2. Cooling stacks
3. Responsibilities for operating and maintaining the overlook walk
4. Roadway connection to lowest level of the garage

Franz-Knight provided an update on the process for onboarding new Councilmembers. He is meeting with Paul Neal next week and has given notice to Kenny Pitman for recommendation of the mayoral candidate. Matt Hanna asked on the timing of the mayoral appointment to which Franz-Knight replied that it may take a month or two to receive approval. Ann Magnano is available to remain on the Council for the next month or two. The Constituency results will be available following voting on Friday, July 21st. The Constituency will hold a vote to certify in August.

Matt Hanna asked about progress on Steinbrueck Park. Ben Franz-Knight has submitted a Revocable Use Permit to Seattle Parks and is waiting for approval. All three contractors are ready to go and the Market Historic Commission has approved and the period of appeal is over.

V. Closed Session

The Committee Chair stated that the committee would go into closed session at 5:04 p.m. to discuss Union contract negotiations and return into open session at approximately 5:24 p.m.

Erica Bates and Judd Lees arrived and the committee entered into closed session at 5:06 p.m.

A. Update, Union Contract Negotiations – RCW 42.30.140 (4)(b)

VI. Open Session

Erica Bates and Judd Lees left the room and the committee entered into open session at 5:33 p.m.

The committee discussed the status of the Union contract negotiations during the closed session.
VII. **Public Comment**  
Chris Scott noted the Constituency election Tuesday went smoothly. Constituency membership is up to 220 plus members. He suggested the renewal of the Hildt-Licata Agreement as a possible retreat topic.

VIII. **Concerns of Committee Members**  
David Ghoddously reiterate the Community Transit Subsidy Program was a great program and the PDA should do as much as possible to see what opportunities exist to find a balance for the 150 individuals who are directly affected by this change.

Rico Quirindongo stated that transportation issues within the city are going to become more heated and the Council needs to keep an eye on the conversation, especially how all the various transportation agencies are working together.

X. **Adjournment**  
The meeting was adjourned at 5:38 p.m. by Matt Hanna, Chair.
