The Heritage House was built by the PDA in 1989 and transferred to the Seattle Housing Authority (“SHA”) in 1990. The Heritage house is currently operated by Providence Housing Services, Inc. (“Providence”) pursuant to a ten year lease; and WHEREAS, in conjunction with the transfer of Unit 2 from the PPMPDA to the SHA, the PPMPDA retained a Right of First Offer and Refusal (the “Right”) to acquire Unit 2, should the SHA desire to sell Unit 2. SHA has expressed a desire to sell Unit 2, and has offered terms and conditions for the PDA to consider in the event it wishes to exercise its Right; and WHEREAS, the terms offered by the SHA include a covenant restricting the continued use of Unit 2 to Senior Low-Income Housing; the transfer to the PPMPDA of the current maintenance reserve for the building of approximately $180,000; and assumption of the current lease with Providence, which commenced in November, 2012; and WHEREAS, acquisition of Unit 2, and continued operation of Unit 2 for low-income housing, would be consistent with the PPMPDA’s Charter mandates, including the mandate to preserve and rehabilitate the properties in the Pike Place Market Historic District, and to provide
support services for low and moderate income persons by providing low-income housing and senior assisted living; and WHEREAS, the acquisition outlined above represents or contemplates actions identified in the PPMPDA Charter that are subject to completion of the Special Disclosure and Review Process before final action by the PPMPDA Council including:

2. Entry into a real property lease agreement for a term longer than one year.

WHEREAS, the PPMPDA has undertaken the public disclosure and review process required by Article XV of the PPMPDA Charter; and WHEREAS, the PPMPDA desires to obtain the Heritage House for various reasons, including those identified above. THEREFORE BE IT RESOLVED by the Council of the Pike Place Market Preservation and Development Authority as follows:

THEREFORE BE IT FURTHER RESOLVED by the Council of the Pike Place Market Preservation and Development Authority as follows:

The Executive Director is authorized to execute all documents necessary for the PPMPDA to acquire Unit 2, including (i) subjecting Unit 2 to an appropriate use restriction that would ensure continued use of Heritage House as a senior assisted living facility; and (ii) assumption by the PPMPDA of the existing SHA Master Lease with Providence.

Ben Franz-Knight provided a background on the Heritage House transaction including discussion on the transaction documents with Rich Moore. Rich Moor noted that with the approval of Resolution 13-72, the PDA would become the owner of the building. He added that we do have a commitment for title insurance and we assume the cost for any capital need of the building. Rich noted that we are working on the type of deed for the transaction; we would want the Statutory Warranty Deed. Once we own secure the Statutory Warranty Deed, the appropriate property would be used for the purpose of the building in the covenant.
