The meeting was called to order at 4:01 p.m. by Jackson Schmidt, Chair.

I. Administration
   A. Approval of the Agenda
      The agenda was approved by Acclamation

   B. Approval of the Waterfront Redevelopment March 17th, 2014 Meeting Minutes.
      The minutes were approved by Acclamation

Jim Savitt entered in at 4:05p.m.

II. Announcements and Community Comments
    Kathi Allen, Market Craftsperson opened up conversation regarding the new Pike Place Market Waterfront Edition and involving the Daystall Community as part of the new project. She noted that an important aspect of the PPMWE Plaza design is including covered spaces for future Daystall use.

    Tom Graham commented on the need for more covered Daystall space in the Market and in the PPMWE design. He stated that we need to find more places that are dry for our Daystall community. He noted that there is over 230 Crafters and roughly 70 dry spaces available as of present for Daystall use.

    Gable Couble commented on the impacts of the available dry spaces in the Market. The reduction in available Craft spaces greatly impacts the people who make a living, which in thus impacts the Market.

Rico Qurindongo entered in at 4:18p.m.
Rachel Powell, Market Craftsperson noted her history in working in the Market. She stated that the increase of Farmers and the sale of value-added products have caused an increased in use for covered selling spaces. She noted that the reduction in available covered selling spaces has greatly impacted the Daystall community and their need for table space. She noted that she is exited for the changes in the Market with the Pike Place Market Waterfront Entrance and encouraged the Committee to think about the design of appropriate Daystall spaces for the future.

Roy Ballard, Market Craftsperson noted that having covered spaces in the PPMWE Plaza will greatly benefit everybody including the visitors and Daystall community.

Kyle Kinse, Market Craftsperson commented on the need for more weather protected space for the Daystall community. He stated as a newer craftsperson, the reduction in space in combination of Daystall seniority affects his ability to sell at the Market.

Gina Carraba stated that the weather affects everyone and wants to keep in mind view preservation on the PPMWE space.

Sara Ando commented on the reduction of the recent Daystall space. She stated that when artists are seating out in the rain in devalues them.

Fanny Andrews commented on the need for weather protected space for the Daystallers.

Kathi Allen stated that when there are more craftspeople, it actually activates the area near and around the Market. She thanked Ben Franz-Knight for the Soames Dunn overflow for allowing additional Daystallers to sell at the Market. She noted that if we are going to grow the Daystall community we have an obligation to provide adequate space for them.

Jim Savitt thanked everyone for their valuable input today regarding the PPMWE project and their concerns regarding the need for Daystall space. He noted that hearing different perspectives form the community is important; he added that we have not seen substantial comment about Daystallers utilizing the PPMWE Plaza space until this evening. He added that we need to hear the voices and receive as much public input on the PPMWE design.

Jackson Schmidt commented on the increase of Farmers, which has been part of the PDA Council’s goals. He did not that the recent increase of farmers had affected the Craft Community.

Tom Graham noted that he would like the PPMWE to be a place where the Craftspeople would want to go and sell at. He noted that the more amenities that we can provide in the new space, the more attraction it would have for future users and uses.
Haley Land noted that the greatest amenity for the PPMWE would be the public interested in going there; He mentioned the importance of Public Art and activation on the Plaza

III. Key Issues and Discussion Items
A. Pike Place Market Waterfront Entrance Project Update

I. Market Foundation Capital Campaign
Lillian Hochstein, Market Foundation Executive Director and Market Foundation staff Patrice Gray and Christi Beckley presented an overview and timeline on the Pike Place Market Waterfront Entrance - Market Foundation Capital Campaign. Lillian and staff discussed an introduction the PPMWE project including: Planning, Capital Campaign History, Climate and Timing, Organizational Strength & Campaign Leadership, Campaign Leadership Experience, Case for Support, Research, Lead Gifts Campaign and Community Campaign.

Lillian Hochstein noted that the PPMWE Market Foundation Campaign is made up into two campaigns which consist of the Lead Gifts Campaign and Community Campaign. The Lead Gifts Campaign is part of the larger fundraising efforts for large gifts. This initial phase in the campaign would help the MF build momentum and strengthening the campaign for credibility with the general public. The Lead Gifts goal of $ 6 Million makes up nearly 70% of the overall campaign goal. The second phase of the campaign efforts includes the Community Campaign. The Community Campaign would include

There was a discussion that followed by the Committee.

II. Central Stair Activation, Down Under Connection & Deployable Canopy
David Miller from Miler Hull Architects presented on the project updates to the Pike Place Market Waterfront Entrance design including updates on the Central Stair Activation, the Down Under Connection and lastly an update on the Deployable Canopy design; a copy of the PPMWE presentation was included with the meeting minute’s record.

There was a discussion that followed by the committee on the PPMWE project design updates.

III. Plaza Lighting
There was a presentation regarding the Lighting Design for the Pike Place Market Waterfront Entrance Project; a copy of the presentation was included with the meeting minute’s record. Highlights of the presentation included the following:

Pike Place Market Waterfront Entrance Project
Lighting Priorities

- Transition visitors between the Waterfront and the greater Downtown area
- Use Lighting as a wayfinding tool which clearly marks paths into the Pike Place Market and towards the Waterfront Promenade
- Light the exterior zones in a way that evokes feelings of security and welcome
- Maintain views and highlight design features of the building, waterfront and Elliott Bay

PPMWE Lighting Concepts - Western Avenue Level

Lighting Character
- Market Side has utilitarian and straight-forward circulation and language
- Water side appears more “designed”, with meandering switchback circulation
- Residential areas are simple and understated
- Project will use warm-colored light

Hybrid Connections
- Lighting bridges waterfront and market influence
- Relies on simple lighting that reinforces architectural characteristics while enhancing feeling of security
- Defines distinct paths of wayfinding

Hybrid Transition Zone
- Creates a hybrid lighting character using lighting elements from both the Market and the Waterfront
- Demarcates a zone for a pause between more active circulation corridors

There was a brief discussion that followed.

IV. Reports and Action Items
A. Action Item: Proposed Resolution 14-34: Pike Place Market Waterfront (PC1N) Early Works and Building Permit Application Fee

Ben Franz-Knight introduced the resolution which states that the Pike Place Market Preservation and Development Authority (“PPMPDA”) was chartered by the City of Seattle pursuant to RCW 35.21.730 et. seq with the mission of, among other things, preservation and rehabilitation of the structures and open spaces in the Market Historic District, and: WHEREAS, in order to maintain the viability of the Pike Place Market and the PPMPDA has undertaken an effort to identify and address issues and opportunities related to the design of the Central Waterfront and the development of parcels adjacent to the Market including PC-1N that may directly affect the future of the Market. WHEREAS, the PPMPDA and the design team for the Waterfront Entrance Project have completed permit drawings for the early works package to include shoring, excavation and foundation and are ready to submit to the City of Seattle for permitting. WHEREAS, the PPMPDA and the design team have calculated the total permitting fees to be approximately $200,000. Half of the fee is due at the time of permit intake and the remaining half will be paid when the permit is picked up. NOW, THEREFORE, BE IT RESOLVED that the PPMPDA Council authorizes the PPMPDA Executive Director or
his designee to submit the early works package and future building permit package to the City of Seattle and pay permit fees in an amount not to exceed $200,000 for the permitting of the Waterfront Entrance project. The funds for this project will be drawn from 110630-01 – PC1-N State Funds and 110165-00 PC1-N City Funds.

X. Adjournment
The meeting was adjourned at 6:48pm by Jackson Schmidt, Chair
Meeting minutes submitted by:
Dianna Goodsell, Administrative Services Coordinator
WHEREAS, the Pike Place Market Preservation and Development Authority ("PPMPDA") was chartered by the City of Seattle pursuant to RCW 35.21.730 et. seq with the mission of promoting enterprises essential to the functioning of the Pike Place Market ("the Market"), including the preservation and expansion of the low-income residential community, the promotion of survival of small businesses, and the expansion of services to the public market community; and,

WHEREAS, the PPMPDA’s Charter states, “The purpose of the PDA is to provide a legal entity under RCW 35.21.730, et seq., and City of Seattle Municipal Code Ch. 3.110 through which citizens may fulfill the aims and objectives of the Pike Place Market Historical District Ordinance 10045, the Historic Preservation Plan for the Pike Place Market Historical District and the redevelopment plan for the Pike Place urban renewal area. The PDA will also be concerned with the rehabilitation and redevelopment of the surrounding areas which may affect the character of the Market Historic District;” and,

WHEREAS, the parcel known as PC 1 North ("PC1N") is a much studied parcel in the Market Historic District, has long been considered a core part of Market development, and was historically the site of a municipal market from 1922 to 1974; and therefore the waterfront redevelopment project currently being studied and planned by the City of Seattle presents an opportunity for the Market and for the PDA to further fulfill its mission as stated in its Charter; and,

WHEREAS, the Pike Place Urban Renewal Plan adopted by ordinance by the City of Seattle in 1974 established priority uses for the future redevelopment of the PC-1site, including PC1N, as part of the Market’s core and states that the PC-1site “…should provide for the development of commercial, residential, and public spaces to complement the existing market activity;” and,

WHEREAS, the PDA Council adopted Resolution11-77 identifying priority uses for PC1N and established a Waterfront Redevelopment Committee ("WRC") to review existing design proposals and prepare design proposals for PC1N and adjacent areas; and,

WHEREAS, the WRC, working with staff and consultants has prepared a site analysis and a preliminary building program consisting of priority uses that support and complement the Market’s mission which were adopted by the PDA Council with Resolution11-102; and,

WHEREAS, the PDA Council adopted Resolution12-30 authorizing the hiring of Miller Hull Partnership to develop a preferred concept design for PC1N and adjacent areas informed by past design studies, the PPMHC Design Guidelines and established priority uses for PC1N, current and future identified Market needs, and through a collaborative design process working with the Market Community and the City of Seattle’s Central Waterfront Project design team and its consultants; and,

WHEREAS, the PDA Council adopted Resolution12-62 authorizing PDA staff (including the Executive Director) and consultants, to focus their further design and development efforts upon the option designated as BB+; and,

WHEREAS, the PDA Council adopted Resolution12-77 approving the PC1N Concept Design; and,
WHEREAS the PDA Council adopted Resolution 13-14 (Schematic Design) and Miller Hull has proceeded with design refinement including two public meetings, meetings with the Market Constituency, Market Historic Commission, and the WRC committee; and,

WHEREAS the PDA Council adopted Resolution 13-35 approving a contract with Beacon Housing Development Group specifically to provide recommendations for financing the low-income housing component of the Pike Place Market Waterfront Entrance project; and,

WHEREAS the PDA Council adopted Resolution 13-43 directing PDA staff and consultants to move forward with refinement of and planning for Housing Option 3 (a double loaded corridor) and to return in July for approval of Schematic Design; and,

WHEREAS the PDA Council adopted Resolution 13-49 approving concepts A, B and C and directed PDA staff and consultants to move forward with refinement of Schematic Design elements D (Roof Plaza) and E (Desimone Bridge) and move into Design Development.

WHEREAS the PDA Council adopted Resolution 14-23 approving key components A, B, C and D and directed PDA staff and consultants to move forward with refinement of design and develop cost estimates, receive and incorporate community feedback for concepts E (Roof Plaza Canopy), F (Central Stair Design) and G (Down Under Connection).

Now, therefore, BE IT RESOLVED that

The PDA Council hereby approves key components, identified as E and F for inclusion in Construction Documents and directs PDA Staff to move forward independently with G – (Down Under Connection);

E. Roof Plaza Canopy: consisting of fixed canopy with roll up glass garage doors on the east and west elevations, an opaque roof, with photovoltaic panels if financially feasible, and skylights, and including flexible interior space to provide weather protected space for tables for Market artists and crafters, farmers, special events or other Market program uses depending on seasonal demand;

F. Central Stair Design: including a central landing with additional elevator stop and direct elevator access at the mid-level landing and adequate space to accommodate up to two grain silos over the pedestrian passage on the south west side of the central stair;

G. Down Under Connection – further design effort to proceed independent of PPMWE with design to be refined for enhanced entrance signage and improved stair and landing integration with funding for final design and project implementation to be included in 2015 PDA Budget

PROPOSED RESOLUTION 14-54

Pike Place Market Waterfront Entrance (PC1N) Sellen Pre-Construction Add Services
August 2014

WHEREAS, the Pike Place Market Preservation and Development Authority ("PPMPDA") was chartered by the City of Seattle pursuant to RCW 35.21.730 et. seq with the mission of, among other things, preservation and rehabilitation of the structures and open spaces in the Market Historic District, and:

WHEREAS in order to maintain the viability of the Pike Place Market and the PPMPDA has undertaken an effort to identify and address issues and opportunities related to the design of the Central Waterfront and the development of parcels adjacent to the Market including PC-1N that may directly affect the future of the Market.

WHEREAS, the PDA Council adopted Resolution 13-56 approving PPMPDA selection of Sellen as the GC/CM Contractor and enter into a contract with Sellen for Pre-Construction Services;

WHEREAS, the PPMPDA and project consultants have identified areas requiring additional exploratory and investigation work to be performed by Sellen during the preconstruction phase. Additionally pre-construction services have been extended through February 2015 due to delay in start of construction.

NOW, THEREFORE, BE IT RESOLVED that the PPMPDA Council authorizes the PPMPDA Executive Director or his designee to enter into a contract with Sellen in an amount not to exceed $80,000 for the exploratory and investigation work and additional pre-construction services through February 2015.

The funds for this project will be drawn from 110630-01 – PC1-N State Funds and 110165-00 PC1-N City Funds.
