III. Reports & Discussion Items
    A. 2015 PDA Budget Presentation
       Ben Franz-Knight provided an introduction to the 2015 Pike Place Market PDA Budget Presentation. He noted that the 2016 budget process would be different from previous budget processes due to the Pike Place Market Waterfront efforts. He noted several highlights of the 2015 draft budget including the utility charges and the efforts placed with writing legislation for a change in those rates.
Sabina Proto presented on the 2015 Budget Presentation. Sabina stated that the budget presented tonight was merely a proposal which will be finalized with the input from the Council and Community.

The PDA Directors and Managers presented their respective department’s budget line items as follows:

Ben Franz-Knight - PDA Executive Director, briefly discussed the Commercial Revenue under the 2015 Operating Budget in John Turnbull and Jennifer Maietta’s absence. Changes from the 2015 proposed budget included an increase in base rent based on a minimum rent increase 3% with 1% overall vacancy factor.

Jim Savitt asked on the amount of commercial leases that would be up for renewal in 2015-2016; he was concerned over the commercial vacancy rate at 1% in the proposed 2015 budget.

Elsie Janson - Residential Portfolio Manager briefly discussed the Residential Revenue under the 2015 Operating Budget. She reported that a Market Rate increase would be discretionary with an increase from 2-3%; Project based Section 8 rent increase will depend on HUD’s 2015 OCAF.

Jim Savitt inquired on what the basis for the rent increases for residential.

Sabina Proto replied to Jim Savitt’s question regarding rent increases for residential. She noted that we look at the trends historically for rental increases.

Sabina Proto - Director of Finance discussed the QALICB and QB2 section off the 2015 Operating Budget.

David Dickinson - Daystall & Crafts Manager, Zack Cook - Farm Program Manager and Kelly Lindsay - Director of Marketing & Programs presented on the Daystall and Farm Revenue under the 2014 Operating Budget. Changes noted in the 2015 Proposed Budget included a plan to recruit five new farmers who would sell at an estimated one day per week and a small increase for in revenue for the Remote Markets.

Steve Nelson - Director of Operations presented the Surface Parking and Garage Revenue under the 2015 Operating Budget. He noted that monthly revenues for the garage are higher than last year; we anticipate less revenue growth for 2015 due to the Waterfront being closed for 9 months or longer.

Jim Savitt noted that as he evaluates the proposed budget he has to use the actual figures that are presented in the budget. He inquired in why the budget would be presented if it contains figures that are not annualized or accurate. He thought we could have more support materials provided i.e. 2013 budget and trends.

_{Patrice Barrentine entered the meeting at 3:59pm}_

Sabina Proto reported on the Miscellaneous Revenue under the 2015 Operating Budget.

There was a final overview of the department expenses under the 2015 Operating Budget from PDA Staff.

There was a discussion that followed the draft budget presentation.

Jim Savitt noted a few changes in the 2015 Draft Proposed Budget. He noted under Commercial base rent that he would like to see the same vacancy rate used as this year,. Under Commercial Percentage Rent he would decide to include the 3% increase. He noted thirdly that there were five line items under Daystall where there were projected increased revenues in which he would not vote upon since the 2914 Actual Annualized figures were less than the 2014 Approved Budget figures. Under the Garage daily and monthly revenue he thinks that they should be the actuals this year. Lastly he thought the 60 percent increase in revenue would be too steep.
