## Security After-Hours Access - Verification & Updates

**Monday, November 1 - Friday, November 19, 2021**

**11 a.m. - 6 p.m.**

Starting Monday, Nov 1st, Market Security will be sending an officer to verify the emergency access keys-on-file and updating after-hours contact information for all commercial tenants.

We will be looking to contact on-site managers or supervisors to verify the following:

- 1) Current keys are on-file to enable emergency, after-hours access.
- 2) Checking for any alarm system protocols, if applicable.
- 3) After-hours and Emergency Contact Info for commercial tenants.
