Daystall Short Sheets

8:45 BRIDGE MEETUP / SECOND ROLL CALL

- Day-Of moves are allowed at 8:45am each day at the front of the Desimone Bridge, in order of seniority.
- Second Roll Call begins promptly at 8:45, so your business must be on time and inform the Marketmaster that they would like to move before moves begin.
- Any moves after Second Roll Call has ended are at Marketmaster discretion and should not be expected.

CANCELLATIONS

- Cancellations should be made NO LATER THAN 8:30AM on the day deserved for selling by calling the Marketmaster cell.
 - Leave a BRIEF message if the Marketmaster does not answer. Please repeat the message once to ensure it is accurately transmitted.
- Cancellations should be done infrequently to minimize inconvenience to staff and other vendors.
- Cancellations for table reservations in advance should be done via SignUp Genius before the day before the reservation.
 - When signed into your account, hit the icon with your initials in the top right hand corner of the page to view, edit, or cancel any of your active sign ups.
- All cancellations after the noon-the-day-before reservation deadline should be done by calling the Marketmaster cell.
- If cancellations are not done correctly, you may be assigned a table and charged daily rent, regardless of if you show up.
